SUPPLEMENTAL AMENDMENT

As a supplement to the Request for Continued Examination filed on October 30, 2000, please amend this application as follows:

IN THE CLAIMS:

Please add new claims 94-118 as follows:

--94. A computer-implemented method of managing travel arrangements, comprising the steps of:

providing a travel planning module configured to perform a trip request process and a build itinerary process by supplying graphical user interfaces for displaying travel availability data on a workstation from a computerized travel reservation database, receiving trip request data from a corporate workstation,
